Meeting Date 09-26-2017
Council/PH Committee PublicHealth
Agenda Item BILL 70
Your position on the matter Support
Representing Self
Organization
Do you wish to speak at the hearing? No

Written Testimony
Secondhand smoke in a car can be up to ten times more toxic than what the EPA considers unhealthy air quality, even when a window is down. I am fortunate that my parents did not smoke around me while I was young, and I have avoided the detrimental effects of smoking. I strongly support this bill since it is important for minors to be in safe and healthy environment as they become adults.
